

MOSES-AZUORU STEPHEN

Lead VFX Artist • Video Editor

Cinematic storytelling • High-retention editing • Motion graphics • Visual effects

PROFESSIONAL SUMMARY

Creative and detail-driven video editor and VFX artist with proven experience in feature film production, brand marketing, and long-form YouTube content. Known for crafting visually compelling stories, optimizing viewer retention, and delivering polished, cinematic outputs under tight deadlines. Strong expertise in motion graphics, compositing, and post-production workflows.

WORK EXPERIENCE

Lead VFX Artist — TBC Pictures

Nov 2022 — July 2024

- Led VFX production for a feature film, delivering high-quality cinematic visuals.
- Handled compositing, CGI integration, and motion tracking workflows.
- Collaborated cross-functionally with directors and editors to maintain narrative continuity.
- Optimized rendering and post-production pipelines for efficiency.

Video Editor — Maison Fahrenheit Hospitality

Oct 2024 — Dec 2024

- Produced premium promotional content for a luxury hospitality brand.
- Designed motion graphics and transitions aligned with brand identity.
- Enhanced engagement across social platforms through high-quality visuals.

Long-Form Video Editor — StarlightMedia Studios

Jul 2025 — Dec 2025

- Edited long-form content for **Hot Scope News**, focusing on celebrity storytelling.
- Structured videos for retention using pacing strategies and narrative hooks.
- Integrated subtitles, motion graphics, and VFX for enhanced viewer experience.
- Maintained consistency in tone, branding, and storytelling format.

YouTube Video Editor (Freelance)

Ongoing

- Delivered end-to-end editing for YouTube creators.
- Improved audience retention through pacing and storytelling techniques.
- Performed color grading, audio cleanup, and final mastering.

KEY ACHIEVEMENTS

- Delivered feature film VFX under strict production deadlines.
- Improved engagement metrics for marketing campaigns.
- Enhanced YouTube retention through optimized editing techniques.
- Built a versatile showcase of projects across film, social, and long-form content.
